DIMU'S ADVENTURE

Long long ago, in a forest there lived a Dinosaur whose name was **Dimu**. His mother name was Dinoo. His sister's name was Doi and his father's name was Dodi. He lived happily in the forest. One day a very loud sound came from the middle of the forest. Everyone went there and saw what happened. There was a biggg hole. In the biggg hole there was a biggg dinosaur stuck inside. Everyone was worried. After some time, the dinosaur managed come out of that hole. Everybody was very happy but on the dinosaur's body there was a biggg cut. Then the doctor dinosaur came and helped him and after few days he became well. Everybody was happy. Same night Dimu's father was late. Everybody in the house was worried. Then they went to his office. They saw that he was very tired so he slept in his office because he was the doctor dinosaur. They took him back him to home. And after that everybody in the forest were happy for ever.
